

SOS NHS

MODEL MOTION

This branch/district/region of _____

Notes:

- The NHS is experiencing the worst winter crisis in its history
- The Covid pandemic has exposed how the previous decade's austerity measures have impacted on all public services especially the NHS
- Underfunding in the NHS has undoubtedly cost lives
- [SOS NHS](#) has been set up by a broad coalition of campaign groups and trade unions to make the following three demands:

1. [Approve emergency funding of £20 billion to save lives this winter](#)
2. **Invest in a fully publicly owned NHS & guarantee free healthcare for future generations**
3. **Pay staff properly: without fair pay, staffing shortages will cost lives**

Believes:

- This crisis will not disappear as Covid recedes but will remain endemic in the NHS unless urgent and drastic action is taken.

Resolves:

- To endorse and support SOS NHS campaign and its demands
- To add your name the [list of supporters](#)
- To support and promote the [National Day of Action on Saturday 26/02/22](#)
- To circulate and advertise the work of SOS NHS to all our members and supporters (including the SOS NHS petition and the 'what you can do' page)
- To invite a speaker from SOS NHS to our next meeting

In solidarity
